

Success For Our Div1 U/12 Girls

(Posted: Tuesday 30th March 2010)

The Women U/12 Broken Hill Bronco's travelled down to Adelaide on the weekend of the 27th/28th March to compete in Division 1 of the South Australian Junior Country Championships. The weekend turned out to be very successful, with the girls going through the championship undefeated, winning the grand final 40 -17 against York Valley.

"The result was "reward for effort", and we are all so very proud of the girls", says coach Jay Tonkin.

The girls would like to thank Kerry Holmes and Anthony Harmon (assistant coaches) for all their time and effort and also a big thanks to the girl's parents who support and follow them to all the carnivals. **Go Broncos!!**

To say we are thrilled is an understatement. The Broncos U/12 Girls team have come home from the SA Junior Country Carnival victorious and undefeated with the W-U/12 Division 1 championship.

"To win Division One is amazing. It's been a long time since we have won a Division One at a Country Carnival. We are so very thrilled and proud of our girls", says BHBA Secretary: Sue Nejam

Congratulations go to their coaches Jay Tonkin and Kerry Holmes.
